We are having the evening meetings only on Zoom. I am still learning how to use it so be patient. To attend a meeting you need to join the Facebook Group – South Plains Group Levelland. Comment in the meeting day post that you wish to attend and I will facebook messenger the link to join the meeting. It didn't work for a few people. It will take me some time to figure out why. So we will muddle through until we figure it out.

If you need a signature for Probation or Parole, you will need to download the app – Genius Scan, Scan your paper, and share via email to southplainsgrouplevelland@gmail.com, I will print, sign and email back your paper to print or share with the Probation or Parole via their email. What we could not do alone, we can do together.

- [Alvo's Body Shop](#) – (806) 897-4025
 Keeping normal business hours, M-F 8a-6p,
 Hey guys, just a reminder, Alvo's Body Shop will remain open during the partial shutdown going on. We feel led to do so since automotive collision repair is necessary to keep people in their vehicles especially during times like these. However, there will be some changes in the way we do business to ensure we do our part in helping to combat this problem. We will still write estimates, but we will do so by appointment only... You can remain in your vehicle and we will write your estimate and e-mail or fax a copy to you. Drop off and pick up will also be accompanied with a disinfectant wipe down of all your vehicles surfaces likely to come in contact with people. We will also always pick up or drop off your vehicle at your home if you need us to do so. Thank you for all your business and please call us if you need anything. (806)897-4025, Facebook Messenger, DM on Instagram, email at alvosbodyshoplevelland@gmail.com or alvosbodyshop.com

{We are •NOT• closed for business, however!}As always, we continue to accept orders through Facebook, phone, or email.  We will still be operating but our doors will be locked. If you need to place an order please call. If you need to pick something up please call ahead and we will make arrangements for a social distance pickup.

With all the cancellations of events due to social distance it doesn't mean you can't still send personal announcements! (Notice I said announcements and not invitations!) We can print announcements for the expecting parents (is it a boy or girl?), the kiddos that have made it to graduation (even though they may not walk across a stage) and even those “Save the date!”(it will eventually happen) for those happy couples that are engaged. Maybe send a reminder that the grand parents have made it to the big 50th anniversary.

So just because we are practicing social distancing it doesn't mean we have to cut ourselves off from family and friends. Let everyone know about the accomplishments, happy moments and wonderful expectations that are happening in your family's life.

Send us a message via Facebook, call us 806-894-6080 or email us commprintco@nts-online.net. We can take payments over the phone and arrange a non-contact pickup or delivery. We offer printing, from carbon less forms to invitations for all occasions. Purchased an Etsy design? We can print them for you. Need an invitation created let us help.
