Our fiscal year is Oct-Sep. That means that each year, the Levelland Main Street Program says goodbye to board members that have served 3 year terms and welcome newly appointed members. We are looking for members who have a passion for downtown revitalization.

The Levelland Main Street is a "Working" Board

We need leaders who are willing to "work to assist in the revitalization of downtown by improving the aesthetics, retaining and recruiting new businesses, creating experiences that enhance the lives of our citizens, and preserving our treasured history.

A Message from Main Street:

Hello Friends,

Seven months now as a Main Street Manager and I learn something new every day! Change is hard, and I appreciate your patience with me as I navigate new waters. My goal...get 3 months ahead and learn how to delegate. See you can teach an old dog new tricks!

So, what have I been up to?

- We were awarded a generous \$1,500 grant from the Hockley County Endowment to purchase a special commemorative bench to sit beside the Mosaic Marigold Sponsored planter. The founders names will be listed and another piece of history on display.
- I have applied for a \$5,000 Anise Read Grant for a larger project being proposed by our Revitalization Committee to put in a top notch sound system that encompasses the square and provides great ambiance and shopping experience downtown.
- I attended my first in person training in Seguin, TX. It was wonderful and very productive to spend time in the presence of so many Main Street Managers. We shared ideas, heard from a wonderful speaker from the National Main Street Program, got to tour some historic buildings, see their downtown projects and in the end, find that we're all not so

different after all! It got an A+ from me!

Partners Make Things Better

Small businesses have a difficult time finding enough staff to stay "in store" to be able to take advantage of chances to expose their business to new potential clients. I was excited to get to represent them at SPC with some awesome downtown Main Street bags with give aways provided by the merchants to introduce the student to the amazing downtown we have for them to enjoy!

Downtown Celebrates Its Own

We love to celebrate one of our own, just like Paw and Order Grooming and Boarding that made it through Covid and celebrated their 1st Anniversary in business! YAY!!!

Remember, there's a LOT to love about Levelland...#DiscoverDowntown!
