## National Day of Prayer (on the Square)

Spring brings renewal. It's a time of planting, growing, and rebirth of nature. It's also a time when we start to gather outside, enjoy the beauty that surrounds us and come together to pray. This year we celebrated National Day of Prayer on May 5th, in Downtown Levelland.

## A Message from Main Street:

April kicked off our 2nd quarter and Main Street was "buzzing" with activity. April, May and June will end with a combined total of 8 events under our belt: Volunteer Appreciation Lunch, National Day of Prayer on the Square, Food & Food Truck Days (April, May and June), 1st Saturday Shop the Square (May, June) and Sip and Swirl!

Event planning aside, we have also managed to hit some major milestones. Our vintage clock is running again, we have 7 vintage light poles repainted, thanks to our friends at G & C Contracting, and we completed the installation of 16 handrails and 32 new mosaics. (more on this to come in the June edition)

The Advisory Board for Main Street put out a request for nominations of interested parties to serve on the Main Street Advisory Board and we've had several forms turned in. Once the board has voted on the nominations, those selected to fill the two positions, will serve out the remaining term for the previous members. We will have two more board seats to fill at the end of our fiscal year in September.

June will start with a multitude of colors to enhance the downtown district. On Saturday, June 4th, we will host our second 1st Saturday Shop the Square with the theme: Lemonade Day and our first ever, Downtown Community Planting Day. There are 44 planters that will be installed on 44 poles in our district and from 10am to Noon we will invite community members to come and "adopt" a planter. There will be lemonade stands in front of various shops and music playing on the square, compliments of KLVTV Radio. There will also be a wonderful surprise at 10am. We will be unveiling our 32 new mosaics downtown. Watch for the balloon release and take a tour through the district and be the first group to see and enjoy these amazing pieces of art.

Finally, we hear a lot in today's business world about branding...brand image...mission and vision. I've always been impressed with businesses (and people) who learn from where they've been, "know" who they are and implement laser focus on where they're going. When I was blessed with this job on April 6th of 2021, I loved the

Main Street Mission and Vision, but I just couldn't shake the feeling that we were missing "who we are!" After a year of experiencing "just that," I know who we are, and it's my goal to share that with all of you so we can embrace that together. Our brand is "Living la Vida Mosaic!" We are a small town rich in culture, industry, community, history and people. People are our greatest resource. It's why most of us choose to live and work in Levelland. Each of us is a piece of the City of Mosaics. We bring color, charm, kindness, ambition, growth and so much more to the bigger picture. Together we are a literal translation of life in mosaic form. It takes each piece...to make this beautiful picture, we call home.

There's great things happening in Downtown Levelland!
