June  4th

Community Planting Day...so many reasons why it wouldn't work, but the human spirit and community pride made it happen! Thirty-five family units (moms, dads, grandparents, kids, friends, cousins, aunts, uncles, and individuals came together on June 4th and planted 44 planters in downtown Levelland. Not only did they come plant, but together with downtown merchants, other community members and volunteers, the plants are surviving and adding to the ambiance and appeal of our Main Street District.

Main Street Mosaics Move the Mark

The first mosaic "Wild Mustangs" was created in 1968 by Don Stroud. Over the years the mosaics have grown to 13 in number, and represent many different facets of Hockley County industries, landscape and history. In 2021, the 14th mosaic would be added by a private organization to celebrate the opening of a new business in Levelland. This year, 2022, adds 32 mosaics to the Main Street District and takes the grand total to forty-six. Now THAT is a destination worthy of a trip. If you haven't yet taken the time to see The City of Mosaic's Forty-Six unique pieces of art, our virtual tour awaits you: [Levelland Mosaic Virtual Tour](#)

New Morning Mosaic by John & Bette Hope

The Fabricator...Allied Oilfield:

Since it's founding Allied has been locally focused and community driven. Their employees, who have decades of experience in the manufacturing industry, take pride in having the capability to design and fabricate a wide array of products.

President, COO, Dallas Pena, put his team to work with VP of Engineering, Ryan Hall at the helm, to bring these handrails to life.

The Artist...Pauline Mills:

Born & raised in Cork City, Ireland, Pauline came to America in 1986 to seek her fortune and found it in mosaics!

In 2009, she opened a mosaic studio and gallery - Glassvalley. She teaches weekly classes & has added instruction in carved concrete, welding, and sculpture.

Downtown District Mosaics:

#2-3 - John & Bette Hope, 2012.
#4-5 - Burl Cole, 1984.
#15-44 - Pauline Mills, 2022.

The Installer...Rentfro Construction:

Our pinch hitter is Qwynn Holder of Rentfro Construction. After the fabrication was complete, with no advanced warning, these guys stepped up and installed all 16 handrails in one day.

A Message from Main Street:

June was a flurry of activities, and the end of the busiest "event" quarter for Main Street. We had 1st Saturday Shop the Square, Lemonade Day, Community Planting and the installation of our huge Mosaic Handrail project. Once again, our annual Sip and Swirl fundraiser broke all previous records for ticket sales and money raised for downtown projects. I don't have enough words for the gratitude I feel for all of the ways folks donated: money, time, talents, labor, participation and support. With these funds, we will be able to facilitate another huge addition for the downtown district that will continue to add to its ambiance, charm and draw.

July kicks off our 3rd Quarter and we have SO many successes to celebrate! Our last two 1st Saturday Shop the Square Themed Events fall in July and August, with three 3rd Thursday Food and Food Truck Days as well. While not "event" heavy, this quarter is one of my favorites, because I get to do some grant writing, planning and organizing for a strong 4th quarter end to the year.

We have so many reasons to be thankful here in Levelland - Hockley County. You are all invited to celebrate our 100 Year, Hockley County Centennial Celebration, in downtown Levelland, on July 9th. It's going to be the "Parade of the Century!"

There's great things happening in Downtown Levelland!
